What do you love most about
GLOBAL UCF?

FERNANDO

Meet the Team

MARY-KAY HASELEY - MANAGING DIRECTOR

marykay.haseley@globalucf.com

Early on in her career, Mary-Kay realized that her passion was to create and not maintain. As an executive at the Walt Disney Company, she was involved in multiple projects that required detailed planning and implementation of one-of-a-kind visions and business plans. Mary-Kay also founded her own company as an education consultant upon realizing that important resources for parents were not readily available. Mary-Kay understands how international students feel when first experiencing life in the United States, as she has spent time in China, France, Germany, Italy, Morocco and Norway. A graduate of the Rochester Institute of Technology, Mary-Kay left the Northeast winters and embraced sunny Florida.

DR. OLGA BEDOYA-ARTURO - ACADEMIC DIRECTOR

olga.bedoya@globalucf.com

GLOBAL ACHIEVEMENT ACADEMY

Global UCF's Global Achievement Academy (GAA) program offers a unique first-year experience for international students attending the University of Central Florida. The GAA sets the framework for successful integration to American culture and university life, as well as the needed academic support to thrive in an academically challenging environment. After completing the program, you will progress to year two of your degree program at UCF.

GAA FIRST-YEAR EXPERIENCE

As an international student, the move from high school to the higher education system in the United States can be challenging: a new language, new ways of learning and a new home. Global UCF makes that transition easier.

- **Academic support** in English language and curricular classes is available throughout the program. You will have all the tools you need to enter a degree program directly from secondary school (subject to entry requirements), with a TOEFL iBT 60 or equivalent.

- **Small class sizes** give you the advantage of instruction and support tailored to your specific needs and goals and help ensure your academic success.

- **Support beyond the classroom.** Starting on day one and throughout your entire program at Global UCF, we help foster your academic and professional success through community projects, cultural experiences in Florida, career planning guidance and networking opportunities.

- **Learn from your peers.** GO Teamers will be the first students to welcome you to campus and help you settle in, answering your questions and offering support as fellow students. As you get to know your classmates and learn from them, you become part of the Global UCF family.

- **Concierge support services** that are exclusively for Global UCF students are available 24/7 for inquiries large or small.

- A committed team of **Global UCF advisors** provides support on all issues, academic and personal, and helps you navigate the practicalities of settling in to life at UCF: airport pickup, opening a bank account and mobile phone registration.

Upon successful completion of the GAA, you will progress into year two of your chosen degree.

GLOBAL ACHIEVEMENT ACADEMY SAMPLE CURRICULUM

WHAT WILL I LEARN?

Global UCF students take a core curriculum composed of GAA-specific classes, General Education Program-required classes and classes in your major. Your GAA advisor will tailor the curriculum to include classes in your specific academic track.
