**WE ARE
HUMBER**

**YOU'RE INVITED TO BE
PART OF HUMBER.**

**YOU WON'T JUST BE A STUDENT HERE
–YOU'LL BE PART OF A COMMUNITY
WORKING TO BE SUCCESSFUL
IN CAREERS THAT HELP MAKE THE
WORLD A BETTER PLACE.**

-
- 4 The Humber Way** – What our polytechnic approach to education means for you.
-
- 6 Student Life/Student Services/HSF** – Services to help you succeed in and out of the classroom.
-
- 7 Athletics** – Athletic activities at Humber.
-
- 8 North Campus/Orangeville Campus** – Our North and Orangeville campuses combine industry standard facilities with convenient locations.
-
- 10 Lakeshore Campus** – Historic buildings and plenty of green space make our Lakeshore Campus special.
-
- 12 Career-focused Learning** – Get practical experience even before you graduate.

-
- 16 Humber Students Say...** – Get a feel for what our students think.
-
- 18 Academic Schools** – Learn about the programs offered by Humber's eight academic schools.
-
- 20 Diploma and Certificate Programs** – Our diploma and certificate programs are a great start to your career.

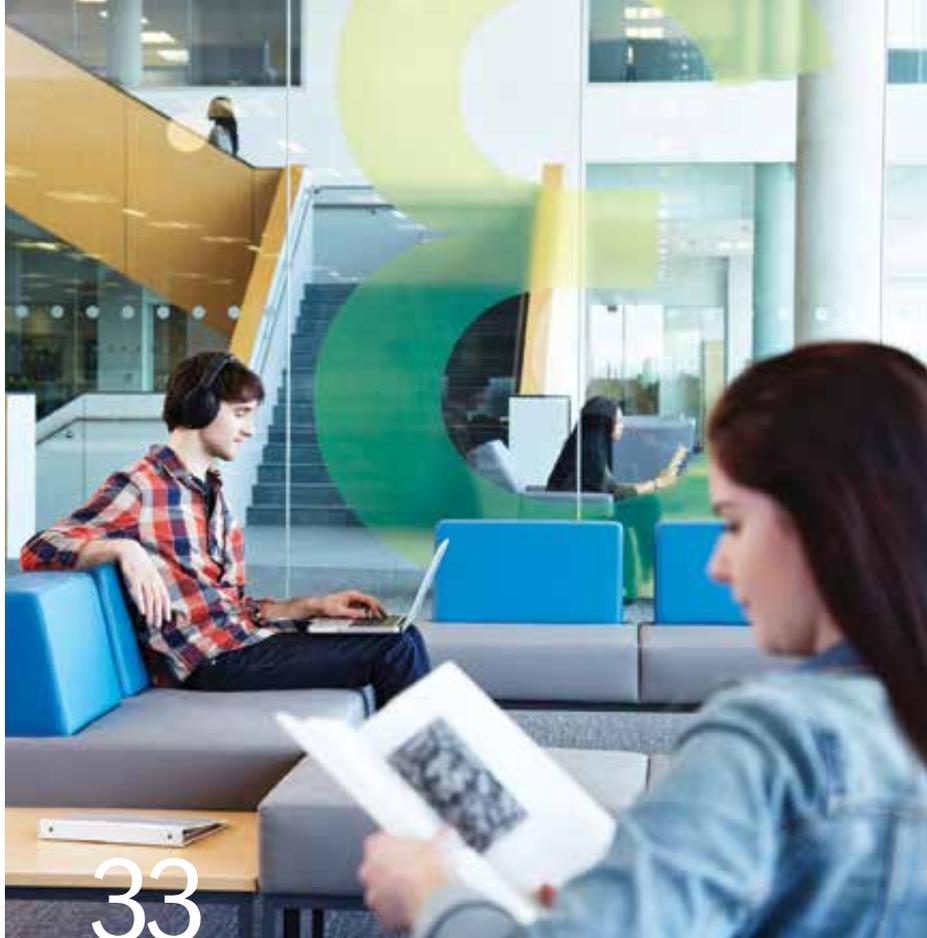

-
- 21 Diploma Student Profile** – Courtney, Film and Television Production
-
- 22 Degrees and Degree Scholarships** – We'll help you get an education, and start a career.
-
- 23 Degree Student Profile** – Hilry, Criminal Justice

25 Faculty Profile – Francisca Burg-Feret, Nursing

26 Postgraduate Programs – Earn a postgrad certificate to leverage your undergraduate studies into a career.

27 Postgraduate Student Profile – Sargam, Hospitality and Tourism Operations Management

28 Global/International – We are bringing the world to our classrooms, and taking our classrooms to the world.

30 Enrolment Road Map – What you need to know to enrol in the program of your dreams.

32 Financial Aid – Information on scholarships, bursaries and estimating your fees.

33 Academic Pathways and Transfers – Create the ideal pathway to achieve your goals.

36 Admission Requirements and Programs – Find out what credits you need to enrol in the program of your choice.

46 What Our Grads Are Saying – Learn about some of our successful alumni.

47 Contact Us – Where to find important contact information.

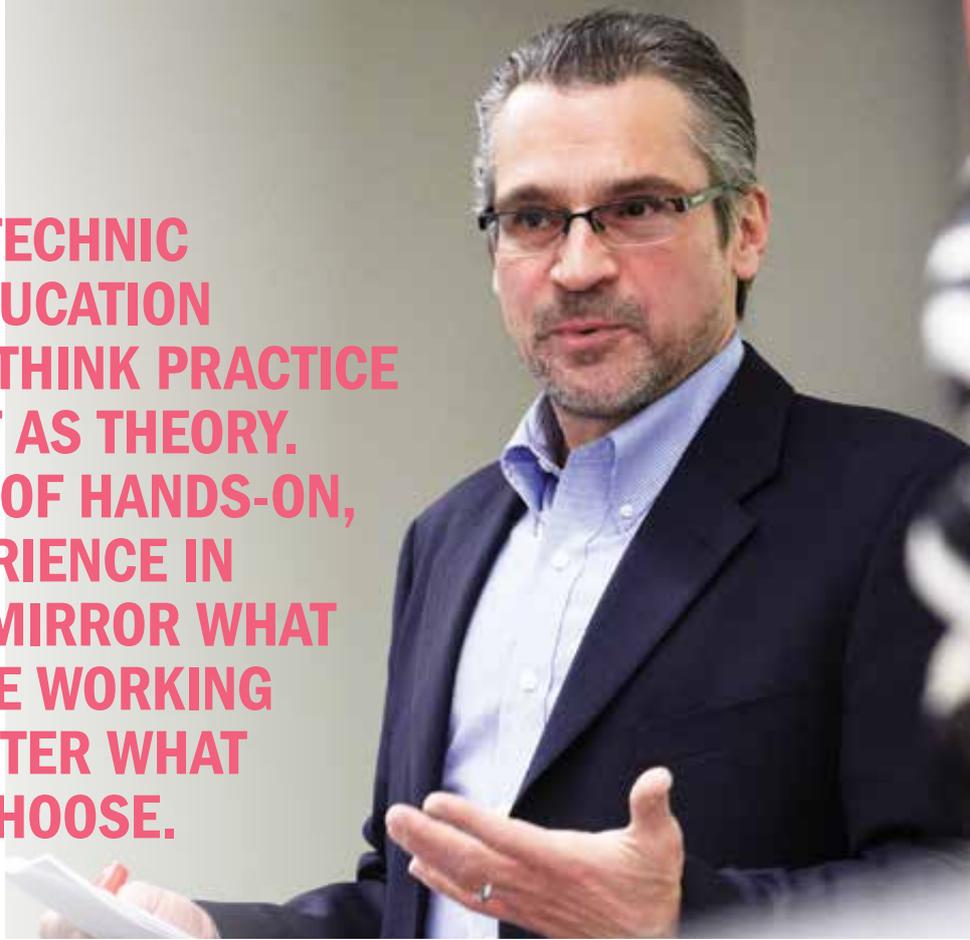

48 Getting to Humber – How to get to our campuses by car or public transit.

WE ARE
PUTTING THEORY
INTO PRACTICE

HUMBER'S POLYTECHNIC APPROACH TO EDUCATION MEANS THAT WE THINK PRACTICE IS AS IMPORTANT AS THEORY. YOU'LL GET LOTS OF HANDS-ON, PRACTICAL EXPERIENCE IN FACILITIES THAT MIRROR WHAT YOU'LL SEE IN THE WORKING WORLD – NO MATTER WHAT PROGRAM YOU CHOOSE.

It also means that, along with being great teachers, your professors have extensive industry experience – with the connections and advice that can help you even after you graduate.

Small class sizes and caring, responsive professors mean you'll never be just a number here.

A Humber education means you can choose to do a certificate, a diploma, a degree or an apprenticeship – there are lots of credentials to choose from. Start with a diploma, then apply for advanced standing in a degree program. Complete a certificate, then pursue a diploma. Choose the path that's best for you and your dreams.

You'll have opportunities to participate in innovative applied research, working with professors and industry partners to solve real-world problems. You'll also be given the tools and support you need if you want to go into business on your own.

We work with industry to make sure our programs teach relevant, job-ready skills that will prepare you not just for a job, but a fulfilling career.

HUMBER STUDENTS' FEDERATION

The Humber Students' Federation (HSF) provides services to more than 27,000 students in the Humber and Guelph-Humber communities. These include a flexible health and dental insurance plan, bursaries, budgeting advice and a tax clinic – which help make your time on campus as enriching as possible.

HSF is also proud to be the official on-campus student government, advocating on behalf of every student on a multitude of platforms and issues. HSF hosts a variety of fun events around campus, including Frosh and Frost Week, and sponsors more than 50 clubs across all three campuses, with interests ranging from dance clubs to cultural groups to video games.

2015 CCAA Men's Basketball National Champions.

WE STUDY HARD WE PLAY HARD

In the 2014/2015 season, our varsity teams won 13 team and individual gold medals in provincial competitions and four national championships – the most national gold medals Humber has ever won.

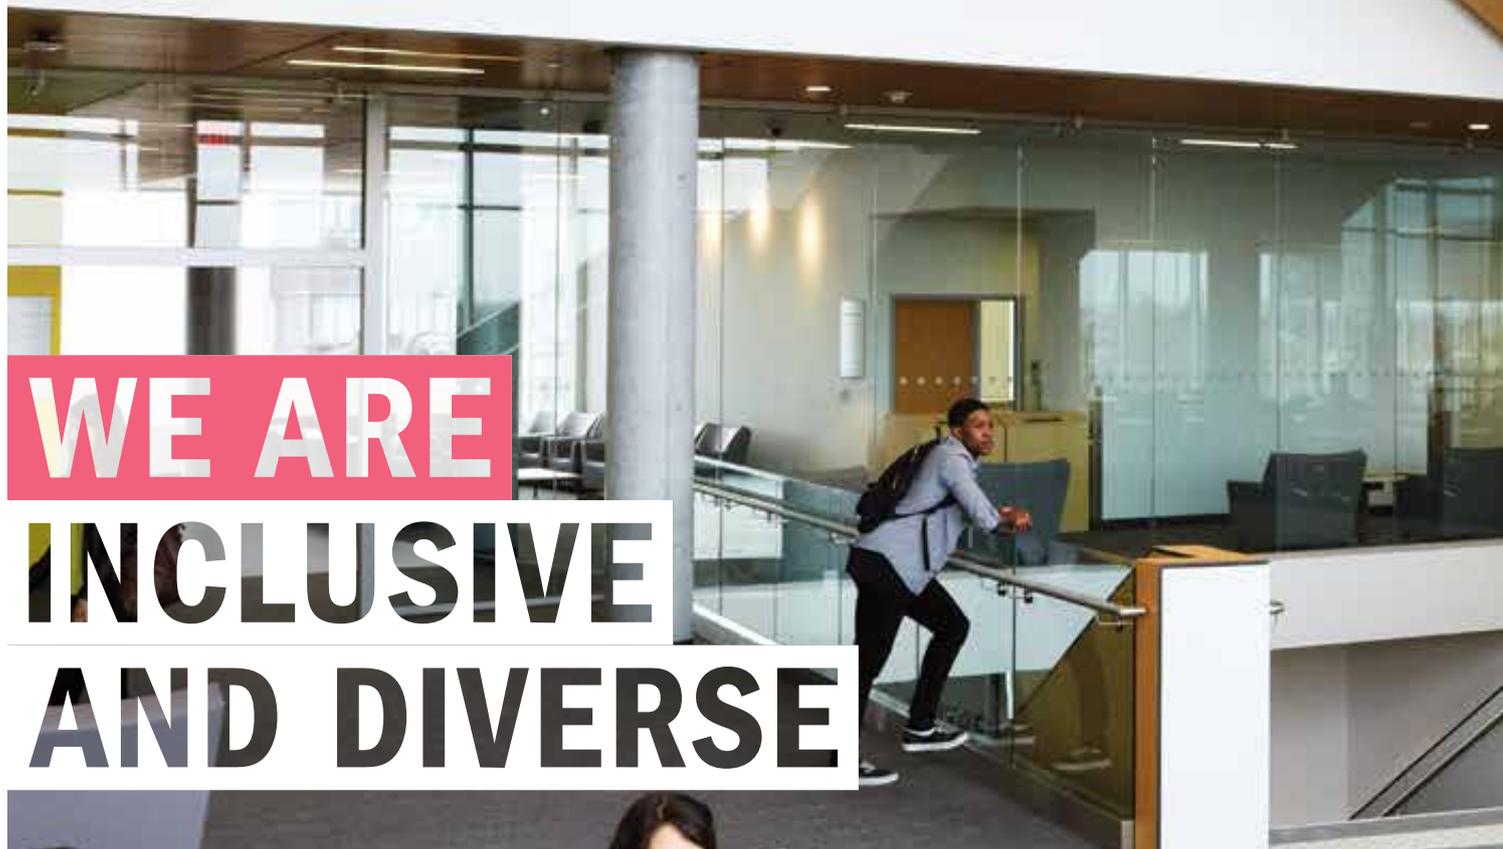

If you don't want to play competitively, there are lots of other ways to get involved in athletics, from fitness programming to intramural and extramural teams – and, of course, you can always come out and cheer “Hawk Yeah!” from the stands as part of Hawks Nation.

WE ARE INCLUSIVE AND DIVERSE

NORTH CAMPUS

Humber's largest campus, located on the banks of the Humber River at Finch Avenue and Highway 27, is easily accessible from Brampton, Mississauga, Toronto and York Region, and is a public transit ride away from Toronto's bustling downtown.

Energetic and dynamic, the North Campus is home to our newest building, the Learning Resource Commons, an open, bright six-storey facility that houses most of the campus's student services as well as a wide range of study, meeting and socializing spaces. The North Campus has residence space for 1,000 students, and features an Arboretum with more than 250 acres of gardens, green space and hiking trails.

GREAT FACILITIES MEAN YOU'LL LEARN ON-THE-JOB SKILLS – AT SCHOOL.

Whether you're dining in the Humber Room, our student-run gourmet restaurant, or exploring the trails that run through our Arboretum, Humber's North Campus has just the right balance of exceptional academics, vibrant cultural expression and peaceful serenity.

Campus highlights include:

- Digital media studios, a radio station and television broadcasting facilities
- State-of-the-art science labs supporting a variety of health sciences programs
- The Design Centre, an open-concept studio-style setup where our design programs are based
- The Centre for Urban Ecology, a LEED gold-certified building, and the Humber Arboretum, a 250-acre park with trails and formal gardens
- The Canadian Centre of Culinary Arts and Science, the only facility in Canada to offer the Master Chef designation and the home of Humber's culinary programs

ORANGEVILLE CAMPUS

You don't have to go far to get far.

Located 45 minutes north of Toronto, our Orangeville Campus is where everyone knows your name. Home to Police Foundations, Early Childhood Education, Fitness and Health Promotion, General Arts and Science, and Social Service Worker programs, the Orangeville Campus is a key part of the local community and Dufferin County.

Campus highlights include:

- Access to community swimming pool, hockey rinks and on-site fitness centre
- Food court
- Library
- Free on-site parking

WE ARE A GREAT COMMUNITY

LAKESHORE CAMPUS

Historic architecture.
Modern conveniences.
Lots of ways to connect with nature.

Located in Toronto on the shore of Lake Ontario, Humber's Lakeshore Campus is where modern conveniences meet historic grandeur.

Centred on an academic "village" of nine restored heritage buildings, the Lakeshore Campus also features the gleaming, airy Lakeshore Commons, a hub for student activity and many of our programs. At Lakeshore, our residence is home to 400 students. The Lakeshore Campus offers an incredible variety of opportunities to put your learning into practice.

See videos, galleries, and more at
humber.ca/viewbook

THERE'S SO MUCH AT LAKESHORE CAMPUS

- Black box theatre and theatre production workshops
- The Fashion Institute, featuring an expansive retail storefront
- The Centre for Justice Leadership, which includes a simulated crime scene and high-speed driving simulator
- Professional-level recording studio, as well as practice rooms and performance spaces
- Digital media production studios
- A simulated trading floor

WE ARE FOCUSED ON YOUR CAREER

**AT HUMBER YOU'LL GET
UNMATCHED PRACTICAL
EXPERIENCE IN YOUR AREA
OF STUDY EVEN BEFORE
YOU GRADUATE.**

You want an education. You also want a career. We want you to have both. You'll get great practical skills along with a solid grounding in theory.

An industry-focused curriculum means you're on top of the trends, making you valuable to employers as soon as you graduate.

With work placements in almost every program, you'll have the chance to get on-the-job experience while you're still in school – and your industry-connected professors will give you the inside track on how best to succeed.

humber.ca

LAUNCH A HEALTHY BUSINESS

Nineteen-year-old Madeleine has big ideas to help people become more healthy, and she had help from Humber to make her dreams a reality.

Madeleine wowed the judges at Humber's annual *LaunchPad* business pitch competition with her healthy-eating company, Flexible Integrated Tactics (FIT) – and won \$12,000 in funding to help turn her big ideas into reality.

The *LaunchPad* competition was started by Humber in 2012 to help entrepreneurs develop and nurture their business ideas. The annual contest is run by *HumberLaunch*, the college's small business incubator, which offers mentorship, funding opportunities and education about entrepreneurship.

humber.ca/humberlaunch

WHEN HUMBER STUDENTS AND FACULTY TEAM UP WITH INDUSTRY, GREAT THINGS HAPPEN.

Ooyavah Inc. is a leading Ontario business in stereoscopic technology that has developed a prototype for glasses-free 3D visualization on the Apple iPad.

They had one problem, though: their technology required users to mount the lens on the iPad and then store it when not in use, all without compromising the iPad's other functions.

To find a solution to this challenge, Humber Industrial Design professor Odin Cappello led a team of nine Humber students from a variety of programs to design and prototype a case that would house the Ooyavah lens, as well as develop a user interface, social media campaign and marketing video.

The team worked in collaboration with Sheridan College's Centre for Advanced Manufacturing and Design Technologies. Students Abigail, Keith and Dimitri, as well as Cappello and industry partner Ihor Petelycky, are named as inventors on a pending patent for the case.

The project received funding from the Ontario Centres of Excellence and the Natural Sciences and Engineering Research Council of Canada.

"Working on Ooyavah was a wonderful opportunity for students to learn and experience a real-world project," says Dimitri. "It wasn't only schoolwork, but an opportunity to design something that is actually going to be produced."

See videos, galleries, and more at humber.ca/viewbook

OUR MUSIC STUDENTS WORK WITH INDUSTRY LEGENDS.

Music producer Bob Ezrin has worked with Lou Reed, Pink Floyd, Peter Gabriel, Alice Cooper and K'naan – and, this year, with a group of Humber music students.

Ezrin, who produced K'naan's song "Wavin' Flag" in 2010, was Humber's 2015 Producer in Residence, giving a Humber student band the opportunity to get up-close and personal during a live recording session.

"It's an amazing opportunity for students to have an experience with a world-class producer – one who has an established career and is credible in the music industry," says professor Ian Terry.

Fifteen students submitted songs for Ezrin to produce. He selected "Like You Do," which was written and sung by Meagan, a student in Humber's Bachelor of Music program.

Meagan and her band, which is made up of other music students, were given feedback as they recorded her song.

"He knows what works in the studio and wastes no time," says Meagan. "He's a people person who keeps the atmosphere together while having everything run smoothly and efficiently. He lifted my song to great heights along with my spirit."

WE ARE MORE THAN STUDENTS

Our students are more than just students – they're designers, filmmakers, emergency responders, actors, chefs, entrepreneurs and athletes. They build houses. They write newspaper articles. They work with government, charities and small businesses. They're inventors and innovators. They travel the world. They find a path that works for them. They make a difference.

ARTS ADMINISTRATION AND CULTURAL MANAGEMENT POSTGRAD CERTIFICATE

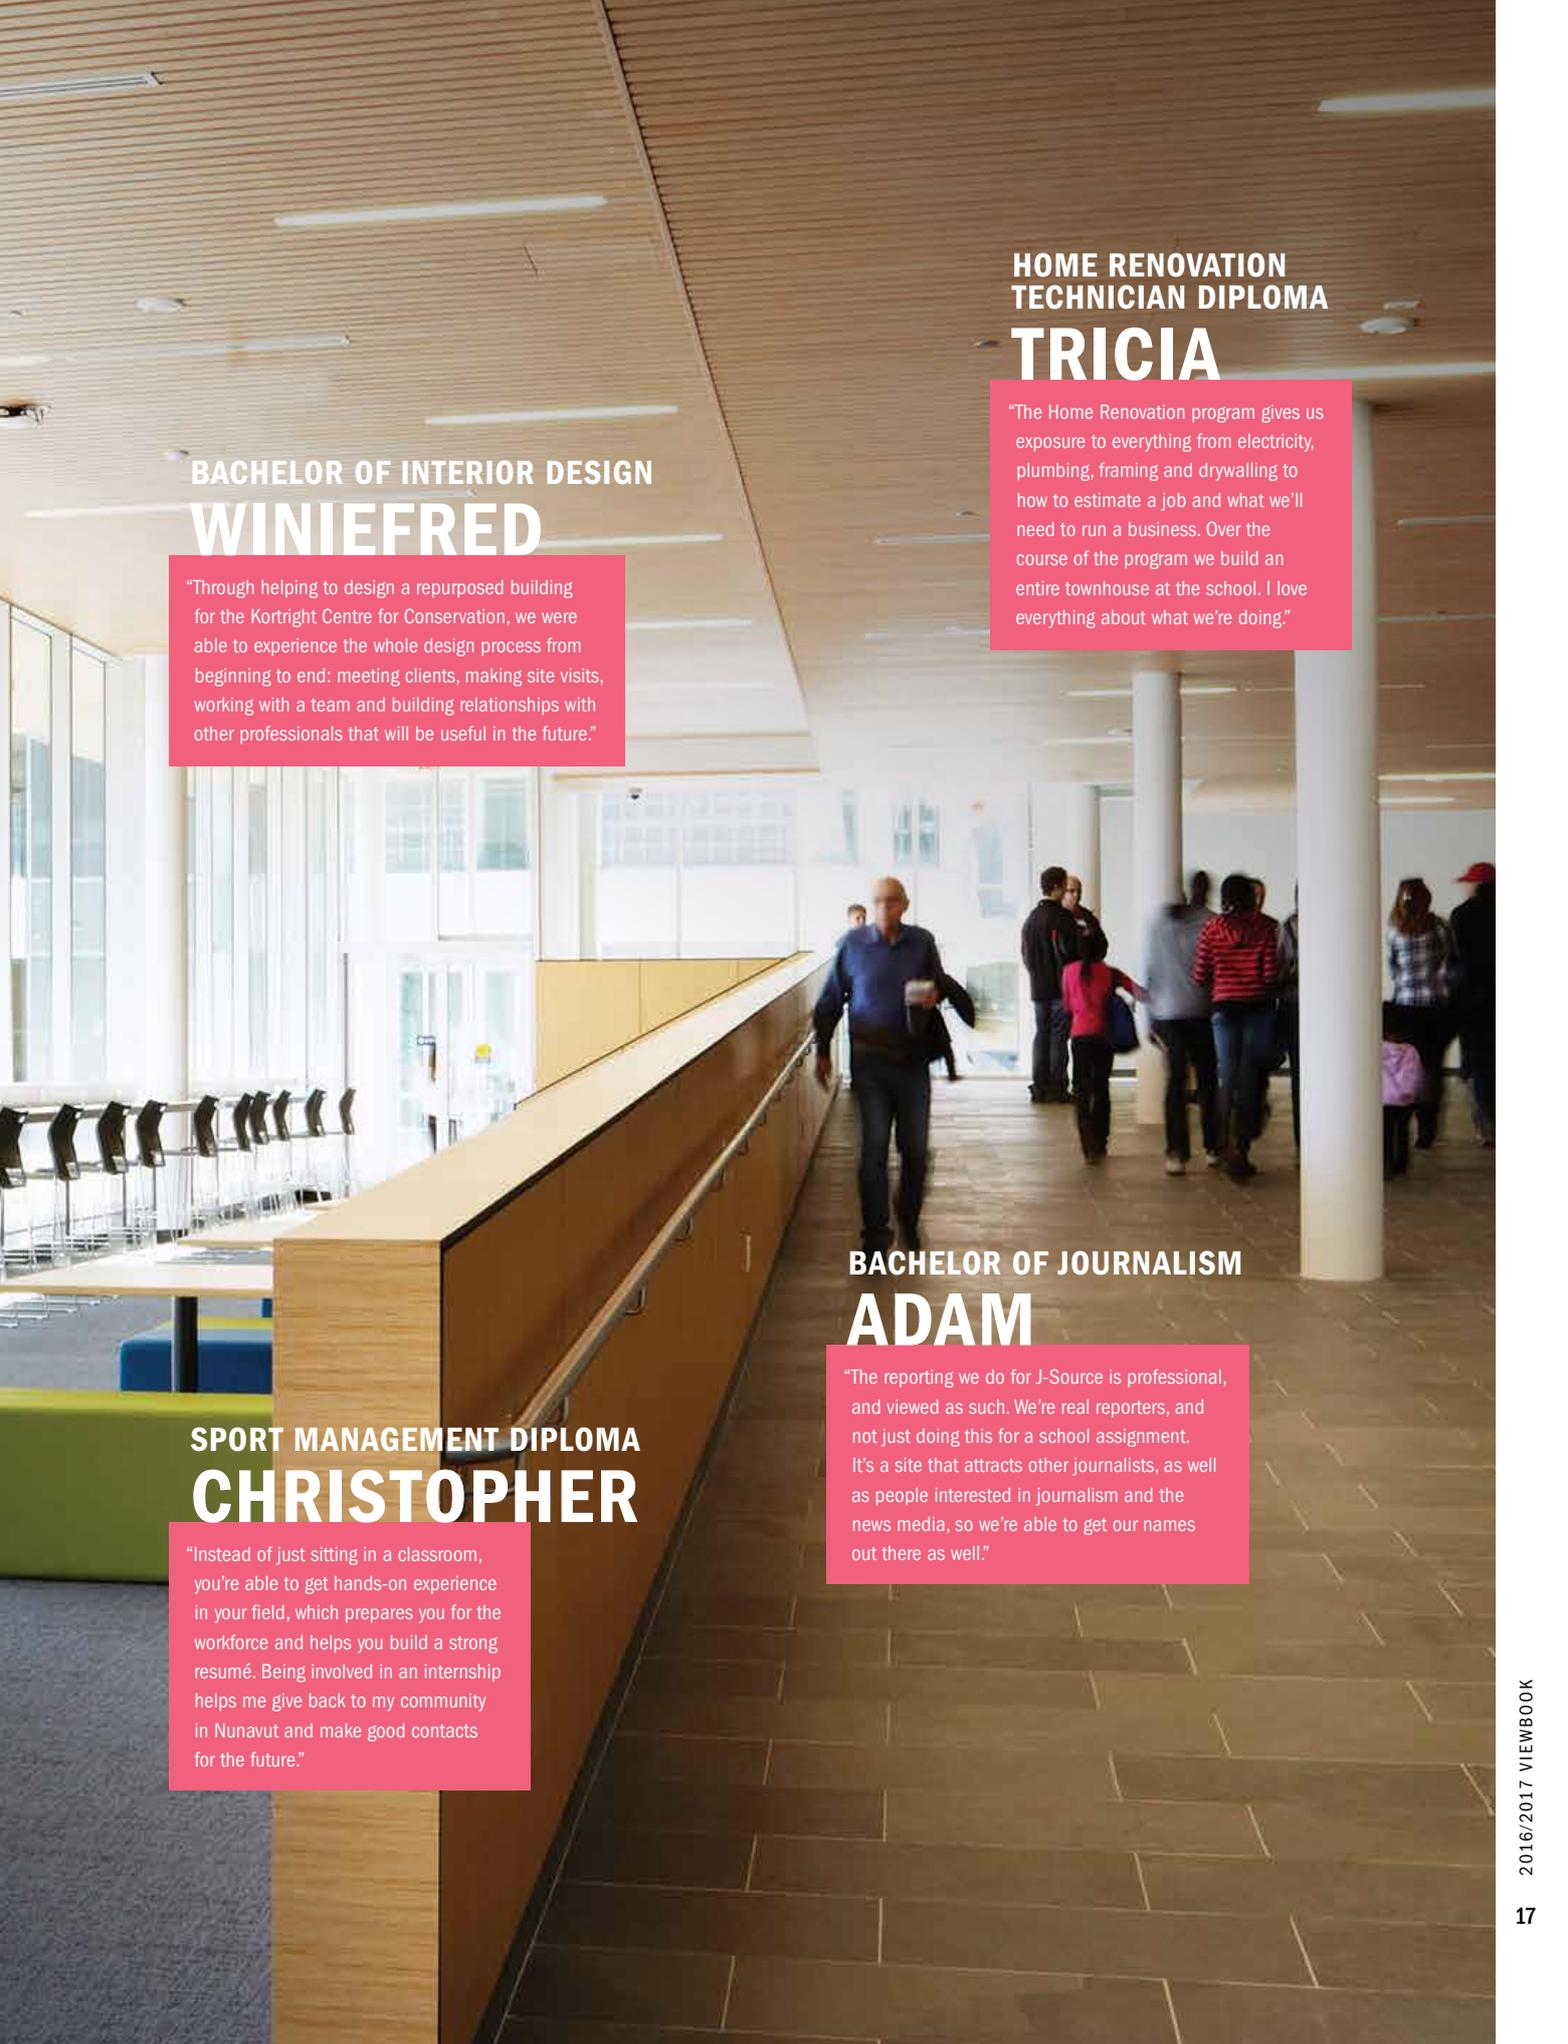

CODY

"We took the skills that we learned throughout our program and used them to inform the planning process for Street Talk, our public art intervention and gallery exhibition. The great thing about this kind of capstone course is being able to learn through hands-on experience and actually execute our projects in real-world environments."

LAW CLERK DIPLOMA

SANDRA

"I wouldn't be the person I am today if I hadn't come to Humber. Because of the encouragement my professors have given me, I feel so empowered. They've convinced me that I can do anything I set my mind to."

BACHELOR OF INTERIOR DESIGN
WINIEFRED

“Through helping to design a repurposed building for the Kortright Centre for Conservation, we were able to experience the whole design process from beginning to end: meeting clients, making site visits, working with a team and building relationships with other professionals that will be useful in the future.”

**HOME RENOVATION
TECHNICIAN DIPLOMA**
TRICIA

“The Home Renovation program gives us exposure to everything from electricity, plumbing, framing and drywalling to how to estimate a job and what we’ll need to run a business. Over the course of the program we build an entire townhouse at the school. I love everything about what we’re doing.”

BACHELOR OF JOURNALISM
ADAM

“The reporting we do for J-Source is professional, and viewed as such. We’re real reporters, and not just doing this for a school assignment. It’s a site that attracts other journalists, as well as people interested in journalism and the news media, so we’re able to get our names out there as well.”

SPORT MANAGEMENT DIPLOMA
CHRISTOPHER

“Instead of just sitting in a classroom, you’re able to get hands-on experience in your field, which prepares you for the workforce and helps you build a strong resumé. Being involved in an internship helps me give back to my community in Nunavut and make good contacts for the future.”

WE ARE ON THE PATH TO SUCCESS

**HUMBER HAS EIGHT
ACADEMIC SCHOOLS,
EACH WITH ITS OWN
EXPERT FACULTY AND
ACCOMPLISHED STAFF.
WE HAVE 160 FULL-TIME
PROGRAMS IN MORE
THAN 40 AREAS OF
STUDY, ALL DESIGNED TO
MEET YOUR ACADEMIC
AND CAREER GOALS.**

ACADEMIC SCHOOLS

WE ARE THE FUTURE

**STUDENTS CAN CHOOSE
FROM MORE THAN 100
DIPLOMA AND CERTIFICATE
PROGRAMS AT HUMBER.**

Our diploma and certificate programs are designed to give you a blend of theoretical knowledge and practical, hands-on experience.

Advanced diplomas take six semesters to complete and usually incorporate a work placement. Diplomas take at least four semesters, while certificates are generally three semesters.

To learn more, visit
humber.ca/full-time-programs

FILM AND TELEVISION PRODUCTION COURTNEY

EVER SINCE COURTNEY WAS A LITTLE GIRL, SHE KNEW SHE WANTED TO WORK IN FILM.

Of course, when she was young, she wanted to be an actress – but once she got to high school and started working on theatre productions, she figured out that behind the scenes was where she really wanted to be.

From there, Humber was an obvious choice – even though it meant moving away from her hometown of Ottawa.

“Humber – specifically the Film and Television Production (FMTV) program – was the only school I applied to,” she explains. “After coming in for a tour and learning about all the opportunities that were available in the classroom I knew Humber would be the best fit for me.”

After three years at Humber, Courtney is now a member of the film union (IATSE 873) for props and set dressing, meaning she often gets calls when film sets need extra help. She says the projects she was able to work on while in school were valuable stepping stones to her future career in film.

“A film that I wrote was produced and made into a short, and I was able to be part of two projects that absolutely soared once they were finished,” she says. “Humber has given me the opportunity to grow into the person I wanted to be three years ago, and has helped me lay the foundation to get where I want to be in the next five to 10 years. I’m looking forward to the future and all the opportunities I will have.”

WE ARE DEGREES AHEAD

EACH HUMBER BACHELOR'S DEGREE IS REVIEWED AND APPROVED BY THE MINISTRY OF TRAINING, COLLEGES AND UNIVERSITIES.

Our career-focused degrees are the ideal blend of theoretical learning and practical experience, taught by professors who have active industry connections and outstanding academic credentials.

All degree programs offer work placements or clinical experience, many of which are paid – meaning you'll get valuable experience even before you graduate.

Add in small class sizes and an industry-guided, job-relevant curriculum, and your Humber degree will give you a definite advantage in a competitive world.

To learn more, visit
humber.ca/degrees

BACHELOR OF APPLIED ARTS – CRIMINAL JUSTICE

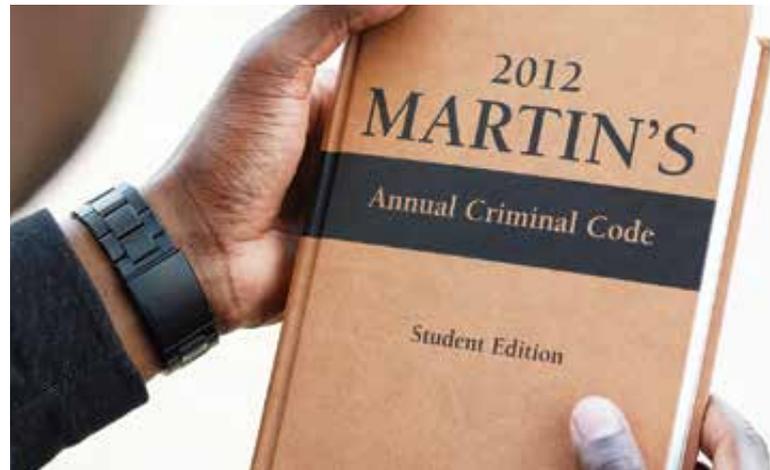

HILRY

MOVING FROM A DIPLOMA TO A DEGREE GAVE HILRY A HEAD START ON AN EXCITING CAREER.

Growing up in Mississauga, Hilry didn't think much about crime – instead he loved cars, doing a high school co-op placement at an auto shop. Watching the way police officers helped his family following a break-in, though, Hilry was inspired to pursue law enforcement as a career.

Hilry enrolled in Humber's Community Justice Services diploma program intending to, as he puts it, "Get in, get out, get a job" – but he quickly discovered a new world of opportunities. Getting involved with The Bridge, a group that supports black students, and receiving a scholarship from the Association of Black Law Enforcers gave Hilry a boost of confidence that inspired him to pursue further education. After completing his diploma, he got advanced standing in Humber's criminal justice degree program – and hasn't looked back since.

"There's no better job than service to people," says Hilry, who is involved with Humber's Young Criminal Justice Professionals group and intends to become a police officer. "Humber has given me the confidence to really push myself – I'm going to stay connected with the school any way I can once I graduate."

DIPLOMA TO DEGREE TRANSFER STUDENT SCHOLARSHIP

Humber awards degree scholarships to students entering any Humber degree program who have completed a two- or three-year diploma from a publicly funded college. Students who have achieved a program GPA of 80% or better will be awarded a one-time scholarship of \$2,500. Diplomas do not have to be related to the degree program of choice and are not tied to the eligibility for advanced standing or transfer credit.

FOUR-YEAR BACHELOR'S DEGREES AT HUMBER

BACHELOR OF APPLIED ARTS

- Criminal Justice
- Film and Media Production
- Paralegal Studies

BACHELOR OF CHILD AND YOUTH CARE

BACHELOR OF COMMERCE

- Accounting
- Digital Business Management
- Fashion Management
- Finance
- Hospitality and Tourism Management
- Human Resources Management
- International Business
- Management Studies
- Marketing
- Supply Chain Management

BACHELOR OF CREATIVE ADVERTISING

BACHELOR OF DIGITAL COMMUNICATIONS

BACHELOR OF INDUSTRIAL DESIGN

BACHELOR OF INTERIOR DESIGN

BACHELOR OF INTERNATIONAL DEVELOPMENT

BACHELOR OF JOURNALISM

BACHELOR OF MUSIC

BACHELOR OF NURSING*

BACHELOR OF PUBLIC RELATIONS

OUR BACHELOR OF COMMERCE DEGREES HAVE THE SAME FIRST TWO YEARS.

This common platform means that you'll build a sound understanding of general business principles for the first two years of your program, which will give you a solid foundation in the essential aspects of business – something employers value. In your final two years you can then focus on your chosen specialization. Most business programs allow you to transfer from one specialization to another if your interests change during the first two years.

WE WANT TO REWARD YOUR HARD WORK

You've worked hard to get where you are – and we want to recognize that. We offer automatic scholarships to newly admitted degree students entering their first year directly from high school.

ACADEMIC AVERAGE	DEGREE SCHOLARSHIP AMOUNT
95%+	\$4,000 renewable
90-94.9%	\$3,500 renewable
85-89.9%	\$3,000 renewable
80-84.9%	\$2,000 renewable
75-79.9%	\$1,500 one time

 To learn more, visit humber.ca/admissions/financial-aid

*University of New Brunswick-Humber collaborative degree program.

FACULTY NURSING
**FRANCISCA
BURG-FERET**

**MANY STUDENTS SPEND READING WEEK
SOCIALIZING, RELAXING OR STUDYING.
SOME EVEN USE THE TIME TO READ.**

For Francisca Burg-Feret’s nursing students and others in Humber’s School of Health Sciences, reading week 2015 was an opportunity to make a difference in the lives of 240 children living at the Valle de Los Angeles orphanage as well as more remote communities in Guatemala.

Ten students from the nursing, practical nursing and early childhood education (advanced studies in special needs) programs travelled with Burg-Feret as well as a pediatrician and a family physician to help perform health assessments and conduct mobile clinics in small towns.

Taking students out of their comfort zones and giving them the opportunity to contribute to communities around the world is a key element in Burg-Feret’s teaching.

“Reaching out to under-resourced communities gives our students an eye-opening experience, and helps them grow in their cultural sensitivities,” says Burg-Feret, who has volunteered extensively in the area. “We’re looking to develop sustainable relationships with the people we meet, and to provide what those host communities tell us they need.”

For the students who participated in Burg-Feret’s trip, the experience was, indeed, life-changing.

“A lot of us had never met – we all had different backgrounds – but we all learned to work in sync really well,” says Daniel, a student in the practical nursing program. “This kind of trip makes you appreciate not just nursing, but life itself.”

WE ARE THE NEXT STEP

TAKE YOUR EDUCATION TO THE NEXT LEVEL

Humber's Ontario Graduate (Postgraduate) Certificate programs complement the postsecondary education you have already earned. They are offered in an accelerated, intensive format, typically two semesters long, and prepare you for a career in a specific field of work.

APPLIED TECHNOLOGY

- Project Management
- Supply Chain Management

ARTS AND PERFORMANCE

- Arts Administration and Cultural Management
- Creative Book Publishing
- Creative Writing - Comic Scriptwriting
- Creative Writing - Fiction, Creative Non-Fiction, Poetry

BUSINESS AND MANAGEMENT

- Alternate Dispute Resolution
- Event Management
- Fashion Management and Promotions
- Financial Planning
- Global Business Management
- Human Resources Management
- International Development
- Marketing Management
- Public Administration

COMMUNITY AND EMERGENCY SERVICES

- Addictions and Mental Health
- Early Childhood Education - Advanced Studies in Special Needs

HEALTH SCIENCES

- Clinical Research
- Regulatory Affairs

**HOSPITALITY AND TOURISM
OPERATIONS MANAGEMENT**
SARGAM

**SARGAM KNOWS BETTER THAN MOST THAT
SOME OF THE BEST LEARNING TAKES PLACE
OUTSIDE OF THE CLASSROOM.**

The recent graduate of Humber's Hospitality and Tourism Operations Management program is the only North American student participating in a prestigious fellowship program with the Association of Corporate Travel Executives, sponsored by BCD Travel. In May 2015, Sargam travelled with two other participants to luxury hotels in Dubai, Bangalore, Sao Paulo, Beijing, Amsterdam, Antwerp and Paris to learn about corporate travel in a six-week whirlwind of meetings, seminars and industry-related tours.

Sargam, who spent a year backpacking in New Zealand, Australia and Asia before she came to Humber, will follow her world tour with a six-month paid traineeship program with BCD Travel in Toronto.

"I had such an amazing travel experience backpacking that I realized I wanted to work in the tourism industry," says Sargam, who has a bachelor's degree in sociology. "Humber's program has proven to be a great way to prepare me for a career in the industry."

WE ARE GLOBAL

GO ABROAD AND DISCOVER A WORLD OF OPPORTUNITIES

The world is getting smaller – so we offer lots of opportunities to get out in the world and learn in a whole new way.

- Semester/course abroad
- Study tour/field trip
- Research project
- Internship placement
- Volunteer experience

WE ARE UNLEASHING AMBITION

FOLLOW THESE STEPS TO APPLY FOR YOUR DREAM PROGRAM AT HUMBER.

Research Humber's Programs

- Not sure what you want to study? Use Humber's online Find Your Match career tool at humbercareerfinder.com.
- Research programs at humber.ca.
- Have questions? Book an appointment to speak with a Recruitment Advisor at humber.ca/visit/advising.
- Join us for a tour at our North, Lakeshore or Orangeville Campuses at humber.ca/visit/campustours.

Apply to Humber

- Apply to Humber at ontariocolleges.ca. Be sure to submit your application by the equal consideration deadline of February 1, 2016.
- After you've applied, you'll receive an acknowledgement postcard from Humber.
- If you're an international student, you can apply directly to Humber. Go to international.humber.ca for more details.

Track Your Application

- Track the status of your application through Humber's student portal at humber.ca/myhumber. You'll receive an email with your username and password after you've applied.
- Depending on your program, you may have to complete testing, submit a portfolio or come to campus for an assessment or audition. If your program has Secondary Admissions Requirements, information on how to complete those requirements will be sent to you once we've received your application.

Receive Your Offer

- Congratulations! You've received an offer of admission. There are still a number of steps to complete before you start classes, so be sure to read the information below very carefully and contact us if you're unsure what to do next.

Confirm Your Offer

- Confirm your offer at ontariocolleges.ca and humber.ca/myhumber.
- If you're planning on living in residence, fill out your residence application online at residence.humber.ca as soon as possible. Residence spaces are offered on a first come, first served basis.

Do Some Fact-Finding

- Many Humber programs require placement testing. This testing is not for admission. It's to make sure you're placed in the right English and (if applicable) math courses. Check your email for information on booking a test date.
- Have questions about services and supports available at Humber? Go to wegotyou.humber.ca for more information.
- Transferring from another institution? Get information on transfer credit on Humber's How To Apply page at humber.ca/admissions/how-apply.
- If you have any questions at this stage of the process, please contact us at enquiry@humber.ca.

Pay Your Fees

- Find information about applying for bursaries, scholarships and the Ontario Student Assistance Program (OSAP) at humber.ca/admissions/financial-aid.
- Pay your deposit of \$500 (domestic students) or \$1,000 (international students) on humber.ca/myhumber.

Register for Classes

- Register for classes online at humber.ca/myhumber.

Attend Orientation

- Attend orientation to find out where your classes are as well as all the other facilities and services available to you as a Humber student. Go to wegotyou.humber.ca to find out more about all the services and support Humber has to offer.

You've Arrived

- Welcome to your first day at Humber!

To learn more, visit
humber.ca/admissions/how-apply

KEY DATES

ONTARIO COLLEGE APPLICATION SERVICE (OCAS) BEGINS SENDING APPLICATION INFORMATION TO HUMBER:

NOVEMBER 2015

- Colleges begin to receive applicant information from ontariocolleges.ca in late November. You will be contacted with information about tracking application status.

EQUAL CONSIDERATION DATE:

FEBRUARY 1, 2016

- All applications received by ontariocolleges.ca on or before February 1 will be given equal consideration in the application process.

FIRST RELEASE OF OFFERS:

FEBRUARY 1, 2016

- First date that offers of admission can be made for applicants to all Humber programs.

FIRST CONFIRMATION DEADLINE:

MAY 1, 2016

- You must confirm an offer of admission. Confirmations are made at ontariocolleges.ca.
- Confirmations made after May 1 will be accepted if space is available in the program. Refer to your offer letter for your confirmation deadline.

FIRST FEES DUE DATE:

JUNE 2016*

- Tuition deposit is due. Late payment of deposit will only be accepted if space is available in the program.
- Offers may be withdrawn unless the tuition deposit is made on time.

*Fees Due Date to be determined.
Your offer letter will have the exact date.

WE ARE PARTNERS IN YOUR EDUCATION

YOU WANT A GREAT EDUCATION AND WE WANT TO HELP YOU GET ONE. THERE ARE MANY WAYS TO MAKE THAT POSSIBLE.

BURSARIES

We provide bursaries to students who have financial emergencies or an ongoing financial need.

- Financial Need Bursaries
- Student Access Guarantee Bursaries
- Ontario First Generation Bursaries
- Study Abroad Bursaries

For more, visit humber.ca/admissions/financial-aid/humber-bursaries

OSAP

The Ontario Student Assistance Program (OSAP) provides federally and provincially funded loans and grants to eligible postsecondary students.

You can learn more at www.osap.gov.on.ca

AWARDS AND SCHOLARSHIPS

We awarded more than 1,000 awards and scholarships to eligible students last year, including entrance scholarships and awards for academic achievement. As well, we'll help you find information about application-based scholarships both from Humber and from external sources.

For more information, go to humber.ca/studentawards

WORK STUDY PROGRAM

The Ontario Work Study Program enables you to work part-time on campus to help finance your education. Check with Career Services for job postings and eligibility information.

For details, go to humber.ca/admissions/financial-aid/ontario-work-study-program

ESTIMATING YOUR FEES

Diploma or Certificate Tuition	\$4,000
Bachelor's Degree Tuition	\$7,100
International Students Tuition	\$14,200
Books	\$1,500
Supplies	\$500
Parking	\$580
Public Transit	\$1,250
Residence and Meal Plan	\$8,302-\$10,731

Note: Estimated cost for one year based on 2015/2016 rates covering two academic semesters. Costs will vary for each program. Co-op and/or lab fees are not included.

 To learn more, visit humber.ca/fees

WE ARE**MAKING OUR WAY**

DIFFERENT GOALS HAVE DIFFERENT PATHS

We'll work with you to map the route to where you want to go. Transfer options, a wide range of credentials and specialized programs will help you along your journey to success. Take a foundation program, then move to a diploma. Complete a diploma, then apply for advanced standing to a degree. The path is yours to choose.

FOUNDATION PROGRAMS (2-3 SEMESTERS)

Our foundation certificates allow you to gain and upgrade the skills you need to pursue further studies or get on track to launch your career. These programs will help you build a portfolio, develop and hone your skills or take the next step in your career.

CERTIFICATES (2-3 SEMESTERS)

One-year and short-term certificates allow you to establish a foundation of knowledge in a given field or upgrade your skills in your current career.

DIPLOMAS (4-6 SEMESTERS)

Our career-focused diplomas are designed to give you specialized knowledge, enabling you to be work-ready when you graduate.

APPRENTICESHIPS (3-4 YEARS)

Apprenticeships offer you the opportunity to learn an in-demand skill in a variety of fields. We help get you ready for the workplace through practical experience and in-school training.

BACHELOR'S DEGREES (4 YEARS)

Our bachelor's degrees give you the ideal balance of theoretical, academic knowledge and practical, career-oriented experience. We combine the highest academic standards with exceptional internships and field placements.

ONTARIO GRADUATE CERTIFICATES (2-3 SEMESTERS)

Intended for students who already have a bachelor's degree or a relevant postsecondary credential, you will gain specialized knowledge and job experience in your field of interest.

TRANSFER OPTIONS

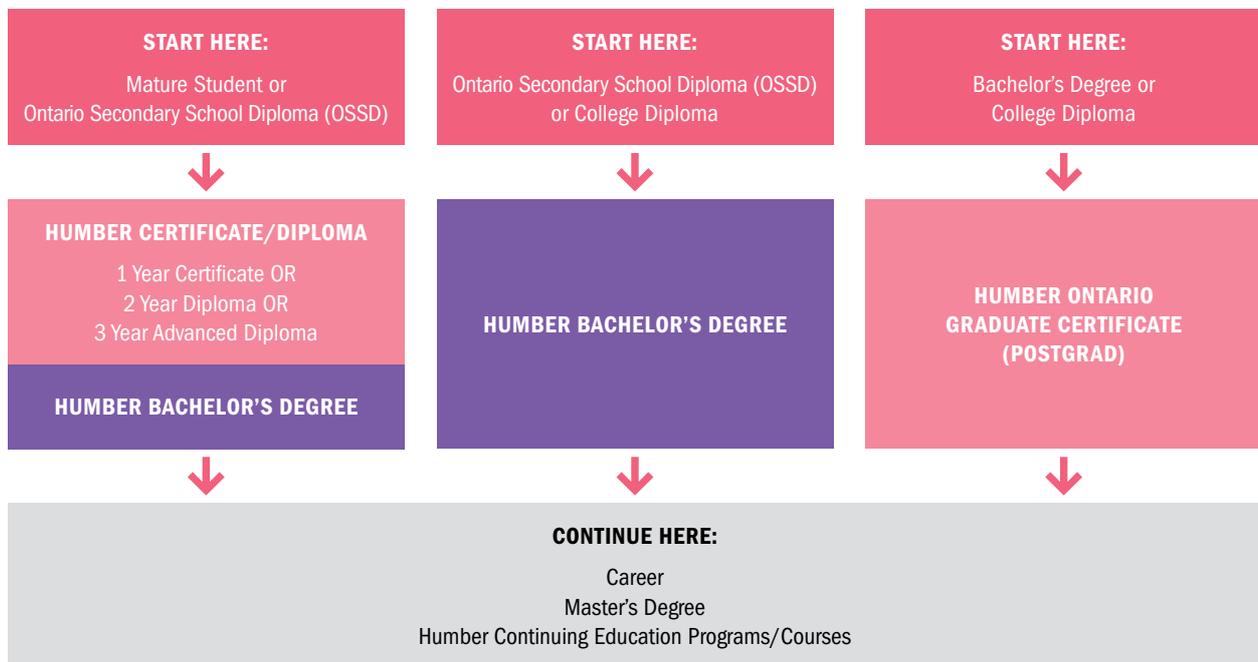

Humber offers many ways to transfer between credentials and institutions. You can start in a certificate program then progress to a diploma. From there, earn a diploma and transfer your credits towards a degree. For example, students who complete Humber's three-year Business Administration advanced diploma program can transfer into most of our Bachelor of Commerce degrees for the final two years of study. Students completing a comparable Business Administration advanced diploma at another Ontario college may be qualified for entry into year three of most of Humber's Bachelor of Commerce degrees.

WE CAN PUT YOU IN THE FAST LANE

Start your career and education planning today. Explore the postsecondary education opportunities available to you and make an informed decision for your future. Planning ahead and making informed decisions will give you multiple pathways for future studies.

SECONDARY SCHOOL APPLICANT

A Secondary School Applicant is either currently registered in secondary school and will graduate before the start of college, or has already graduated but has no additional postsecondary educational experience.

COLLEGE TRANSFER APPLICANT

A College Transfer Applicant has previously attended a college. Applicants who have attended college outside of Canada will need to have transcripts assessed by WES or ICAS. Credential evaluation fees will apply.

UNIVERSITY TRANSFER APPLICANT

A University Transfer Applicant has previously attended a university. Applicants who have attended university outside of Canada will need to have transcripts assessed by WES or ICAS. Credential evaluation fees will apply.

MATURE APPLICANT

A Mature Applicant is or will be at least 19 years of age at the start of college, and has neither graduated from high school, nor previously attended a college or university.

HUMBER FOUR-YEAR BACHELOR'S DEGREE	COLLEGE DIPLOMA IN RELATED AREA OR FIELD OF STUDY	SEMESTERS REQUIRED TO COMPLETE THE DEGREE*

Mature students should refer to specific course selection for admission requirements. International students should refer to international.humber.ca for course equivalents and application information.

Secondary Requirements may include samples of creative work, letters of intent, resúmes, pre-admission tests, auditions and questionnaires, and vary by program. Applicants will receive specific information about their additional Secondary Requirements following application.

DECLARATION OF WAIVER

The information in this document is accurate as of June 30, 2015. After June 30, 2015, Humber reserves the right to modify or cancel any program, option, course, program objective, fee, and timetable or campus location without notice or prejudice. It is also Humber's right to schedule classes any time, Monday through Saturday. Students should be aware that it may be necessary for them to take a course during the evening or on Saturday. Our most up-to-date admissions information can be found in our 2016/2017 online calendar.

humber.ca/admissions

NOTE FOR ALL CERTIFICATE, DIPLOMA, APPRENTICESHIP AND DEGREE PROGRAMS

Grade and/or course requirements are used in the selection processes for all programs. If applicants are enrolled in Grade 12 required subjects (as indicated under each program) in the second semester (February to June), Grade 11 marks will be used to determine eligibility; however, successful completion of an Ontario Secondary School Diploma or equivalent is required for admission.

For more information, visit humber.ca/admission-requirements.

WE ARE INSPIRED

MUSIC

JONATHAN AND ANDREW KAY

DEPENDING ON THE DAY, JONATHAN KAY BEGINS HIS MORNING WITH THE TANPURA. OR THE BANSURI. AND SOMETIMES THE ESRAJ.

Mostly unknown on this side of the world, the three instruments are fundamental to Indian classical music, which Jonathan and his brother, Andrew, have been studying in Kolkata, India for the last five years.

Both graduates of Humber's music program, Jonathan and Andrew have fused Indian classical music with western jazz on two recent albums, Mandala and Pranaam.

And no matter how far they might travel, they still maintain deep ties to Humber.

"Most of our closest friends are from our Humber days, and most of the musicians we play with now are also from Humber," says Jonathan. "All of my professors continue to be important mentors and influences in my life, and their support is invaluable."

See videos, galleries, and more at humber.ca/viewbook

ELECTRONICS ENGINEERING WINSTON LORD

"WHEN YOU'RE IN A TRADE, COMPETITIONS ARE A GREAT WAY TO DEVELOP YOUR SKILLS."

I won silver in Electronics at Skills Ontario, then silver at Skills Canada, and I've just finished my qualifying trials, which means even though I've graduated, I'll be representing Humber at the World Skills competition in Sao Paolo, Brazil later this year. My professors have spent hours with me getting me ready for competing - I wouldn't be where I am without them. Getting to compete at this level is a fantastic opportunity."

The cover and inside pages are printed on Rolland Enviro100 which contains post-consumer waste fibres.

ENVIRONMENTAL IMPACT SAVINGS

By choosing post-consumer recycled paper over 100% virgin fibre paper, we saved:

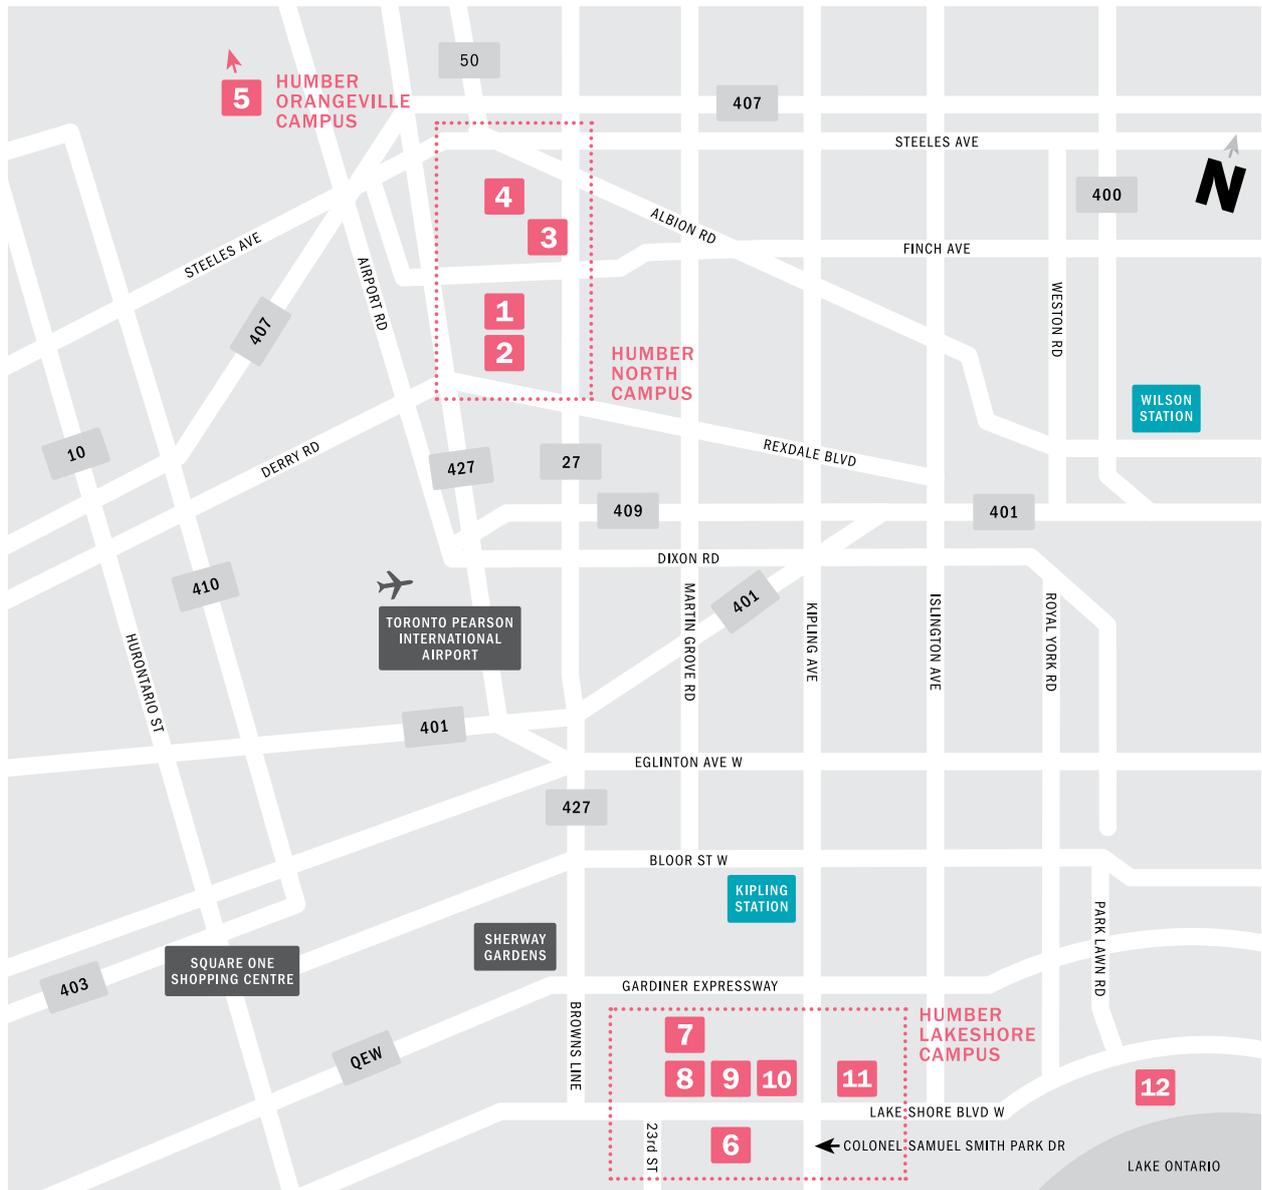

328 trees (22 tennis courts)	48,130 kg CO₂ (emissions of 16 cars per year)
1,196,871 L of water 3,420 days of water consumption)	287 GJ (energy consumption of 3 households per year)
14,672 kg of waste (1 garbage truck)	62 kg NO_x (emissions of 1 truck during 192 days)

Environmental impact estimates were generated by calculateur.rollandinc.com
