The Gold Standard

A-levels are widely regarded as the 'Gold Standard' qualification for top universities in Britain, and the rest of the world, and evidence of the most demanding and rigorous intellectual training.

The very best universities, including Oxford and Cambridge, only accept students with outstanding A-level grades.

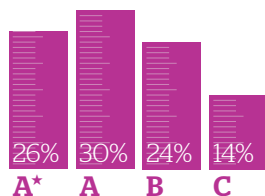

Exceptionally small classes

Classes are kept to between 4 and 10 students. Such close teacher contact is essential due to the academic demands A-levels place on international students.

Exceptional grades

Our A-level grades are consistently well above the UK national average

2015 results:

Develop specialist subject expertise

A-levels are unique in providing an unrivalled depth of study in a few specialist subjects. After two years, you will have developed the kind of subject knowledge which is often only acquired during the first year at university in many other countries.

Subjects available:

- Art and Design
- Biology
- Chemistry
- Economics
- Geography
- Government and Politics
- History
- Mathematics
